Forty-three teachers and fifty teaching assistants, along with a principal and superintendent, support our students.

Our beautiful 650-acre campus provides unique opportunity for students to learn career skills, while pursuing Regents, local, CDOS and SACC credentials. Students may also prepare for and earn a TASC diploma.

As a New York State Special Act School District, we provide small classes, intensive counseling and guidance to students unable to attend community schools due to disabilities and behavioral challenges.
